Re: Agenda for Telephone Interview Scheduled
February 28th, 2006 at 2:00pm for 09/975,689

Dear Mr. Gyorfi:

Further to our telephone conversation earlier today, below is our proposed agenda for the telephone interview scheduled for January 24, 2006 at 2:00pm. The subject application is entitled GROUP ASSESSMENT SYSTEM AND METHOD with the application number 09/975,689.

- I. Discuss whether new claim amendments highlighting the invention's evaluation of subjective qualities, such as business management and aptitude, traverse the § 103 obviousness rejections based on Shechan (U.S. Patent 6,144,838) and Driscoll et al. (U.S. Patent 5,987,302).

Please do not hesitate to contact me if you require additional information.

Sincerely,

Jason Stowe
